

2019s TUDÉE NTME RITAWW ARDS

Each year, IDSA recognizes exceptional student design talent through our Student Merit Awards program. The competition highlights the very best creativity, problem solving and design brilliance in each of IDSA's five North American Districts.

Two winners are selected from each District for this prestigious distinction, one at the Undergraduate (SMA) level and one at the Graduate (GSMA) level.

Student Merit Award winners benefit from massive media exposure through IDSA's extensive reach and high-level industry recognition. These individuals receive an online profile, a print feature in INNOVATION magazine and special honors at the annual International Design Conference.
