NOTICE - ALL CHAPTER EVENTS POSTPONED or CANCELED THROUGH MARCH 31, 2020 DUE TO CORONAVIRUS (COVID-19)

Dear Chapter Leaders,

IDSA has been closely following updates on the novel coronavirus (COVID-19), with concerns for the health and safety of our communities in the United States and abroad in mind. This national emergency has forced many industries, organizations, and communities to implement new measures in order to ensure the health and wellbeing of everyone affected.

As a result, ALL CHAPTER EVENTS SHOULD BE POSTPONED OR CANCELED THROUGH MARCH 31, 2020 DUE TO CORONAVIRUS (COVID-19)

Tips for postponing / canceling an event:

- Work with your venue to determine a new date, if postponing.
- Announce the change of plans to your community through email and/or social media as soon as possible, providing as much detail as possible.
- If tickets have already been purchased, provide refunds to those individuals. You may also have the option to 'hold' the ticket for the future event.
