We make sure it flies.*

Logitech® PlayGear Pocket™ - iSURF by Acorn

Whether your concept is a solution or a revolution, your confidence in realizing the design is vital. That's why dozens of long-time IDEA winners – from Apple to frog, and Logitech to Lunar – rely on Acorn to take them beyond Alias. Acorn's **Intelligent Surfacing (iSURF)** provides parametric surfacing/shelling, mechanical analysis, and DFM. On budget and on time.
